Featured Speaker:  
Bayley Alexander, RDH, BS<sup>(c)</sup>

## **PREVENTION OF CROSS CONTAMINATION IN THE DENTAL OFFICE**

Bayley Alexander is a 2011 graduate of Pearl River Community College & is graduating in May from University of Mississippi Medical Center School of Dentistry with a BS Degree in Dental Hygiene. She is passionate about teaching & learning, & practices dental hygiene clinically in Brandon. Bayley will open your eyes to the microscopic world of cross contamination in the dental office & have you feeling ready to keep your patients (& you) safe from illness!

By the end of this course you will know:

- Where bacteria is present in the dental office
- How cross contamination happens
- Ways to prevent cross contamination

We can't wait to see you there!

**Attendance limited to the first 55 who rsvp by emailing**
